HERE IS A LIST OF JUST A FEW REASONS WHY YOU SHOULD TAKE OUR TOUR OVER THE OTHERS.

- 1. Being voted one of the top Ghost Tours in America means we're the best here as well.**
- 2. We are the only Ghost Tour promoted on the Texas Tourism website.**
- 3. We are the most broadcasted Ghost Tour in San Antonio 2006-2009**
- 4. We are clearly the choice of the Locals and the Ghost Hunting Community alike.**
- 5. Last of all we don't go to ghost hunting events to get our pictures taken with celebrities so we can put them on websites and brochures too mislead people into thinking we are friends. We leave that up to our competitors and people like the White House Party Crashers!!!**
